

Lyme Nursery School & After-Kindergarten Program

155 Dartmouth College Highway • Lyme, NH 03768 • (603) 795-4567

January, 2009

Dear Parent/Guardian:

Thank you for your interest in the Lyme Nursery School. LNS is a non-profit, NH-licensed organization, originally established in 1964. The LNS experience consists of a core curriculum in which children in our three-year-old program attend three half days of school and children in our four-year-old program attend four half days of school. LNS also offers additional curriculum options: 1) additional days such that a student can attend LNS up to five days and 2) the extended day option, which runs Monday through Friday 12:30-4:00. We believe that the variety and flexibility of these programs meet the needs of both parents and children and will enrich your child's education and development.

LNS is operated by a board of directors, in conjunction with our program director and faculty. Our wonderful staff has degrees in early childhood education, strong knowledge and experience in child development, and certification in child first aid and CPR. We welcome parents to participate in our school and programs whenever possible: attending board meetings, assuming board positions, driving for field trips, participating in our school clean-up programs or simply giving us feedback, which allows us to continually improve our program.

For new families to LNS, registration forms for the 2009-2010 academic year will be processed on January 26, 2009 at which time we will fill our classes via a lottery system and keep an active wait list to ensure a full classroom come September. You will be notified of the results of your child's application by end of January. If your child is accepted into the program, we will send you a copy of the LNS Parent Handbook and some additional paperwork that will help us to get to know your child better. We will also require a \$200 non-refundable deposit at that time; this deposit will be put toward your child's 2009-2010 tuition.

To register for the upcoming academic year please return your registration form and a \$30 non-refundable registration fee to (by January 26th): Lyme Nursery School, 155 Dartmouth College Highway, Lyme, NH 03768, Attention: Vicki May.

I currently have two children in the LNS program and have had a wonderful experience. I would be happy to answer any questions you may have with regard to the school or the registration process. Please feel free to contact me at (603) 795-4451 or vicki.v.may@dartmouth.edu.

Sincerely,
Vicki V. May
LNS Registrar
